Key

Recess Measurement: The measurement of your recess, we will make all necessary allowances required for fixtures and fittings for the blind.

Exact Measurement: The exact blind size you require, we will not make any allowance on this measurement.

Opening Style: Panel Blinds are available in a variety of opening styles, please see below.

Control: Cord controls are available for all opening styles except B, D, E, H and K. Cord controls can be positioned on the left or right hand side of the blind. Wand controls are available for all opening styles and are attached to the lead panel(s) to open and close the blind.

Split Draw: Panels split in the centre.

Left Hand Draw: Panels stack on the left hand side.

Right Hand Draw: Panels stack on the right hand side.

Top Fix Brackets: Used for fixing blind into a recess lintel or ceiling.

Face Fix Brackets: Used for fixing blind into a window frame or face wall.
